

About PRISM

PRISM (People Responding in Social Ministry) is a community funded social service agency that provides food, financial assistance, transportation and other services to families in times of financial hardships.

Our mission is *to walk alongside families providing support-based programs that encourage self-sufficiency.*

OUR CORE VALUES:

- Dignity with Accountability
 - Collaboration
 - Volunteerism

Since 1970, the volunteers and staff at PRISM have helped families stabilize their immediate crisis and then continued to work with them through counseling, education and goal-setting. PRISM empowers individuals and families to take an active role in their own solutions.
